OUR GOOD NEIGHBOR POLICY.

Hi, Neighbor!

At American Federal, we make it our policy to offer you a wide array of financial services – without neglecting the most important service of all: that personal touch.

That's why we like to think of ourselves as neighbors. And like good neighbors, we're here when you need us, for whatever you need.

Checking Plans Worthy Of Your Interest.

Take your pick from a variety of plans.

Consider our Interest Checking, for instance. Just keep $200 or more in your account – the lowest minimum balance around – and you'll earn 5¼% interest.

Maybe you'd like to earn high rates without high risks. If so, check out our Investment Checking Plan which pays you money market rates.

Our Super N.O.W. Account is another attractive interest-bearing alternative.

Whichever account you choose, you'll enjoy getting free checks with check safekeeping, overdraft protection, as well as a comprehensive monthly statement. And all accounts are insured up to $100,000 by the FSLIC.

Good Solid Returns.

For the individual who has $500 or more to deposit, American Federal offers a full range of Money Market Certificates with good solid returns. You can choose from 91-day to 5 year certificates.

Certificate Term	Minimum Balance	Interest Rate	Effective Annual Yield
1-Year	$500	11.65*	12.169
1½-Year	$500	12.10*	12.660
2½-Year	$500	12.20*	12.770

* Interest rate bonus for deposits of $10,000 or more. Substantial penalty for early withdrawal of certificate accounts.

Let's Be Neighbors.

In addition to checking and certificates, American Federal offers services as diverse as retirement planning and telephone bill paying – all with that personal touch.

And that's nice to know.

Because no matter how much the world is changing, you can always count on a neighbor.
